**WALDORF ASTORIA, PALM JUMEIRAH**

KUDOS has supplied Waldorf Astoria, Palm Jumeirah in the U.A.E. with a wide selection of pool and beach, balcony, lounging and dining furniture, accompanied with umbrellas

Kudos worked with Hotel Management to identify the correct furniture to complement their outdoor environments. This furniture is erected from powdercoated aluminium frames, which are then hand woven with KUDOS BOS WEAVE into functional elegant outdoor furniture.

**MALIBU BEACH CHAIR**

Designed to complement the marvel of the outdoors, the Malibu Collection exudes clean and handy lines that make for easy and tranquil lounging.

The playful choice of colours that matches the hues of the sun and sea make this no-nonsense collection true to its form and function without compromising beauty.
