**KUDOS NEW COLLECTION**

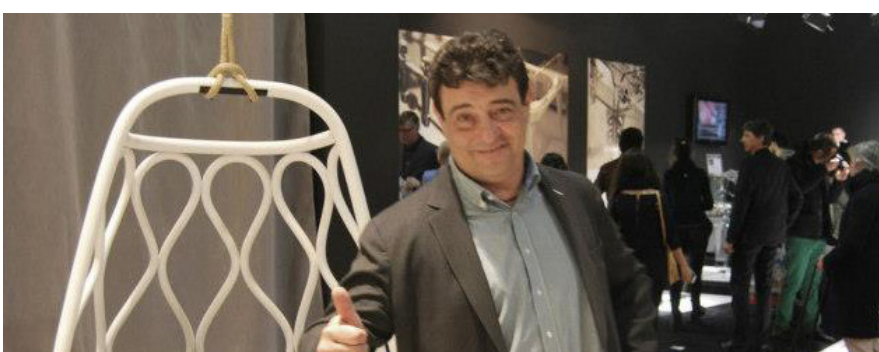

The Kudos Warehouse Clearance Sale was a blast! Kudos once again has left all its new customers completely satisfied. The collection included dining, lounging, poolside, bar and shading solutions for any villa garden, balcony or outdoor terrace to maximize comfort and reliability. To find out more about the "New Collection", please contact us.

**GIVING BACK**

Kudos got involved with the Hilton Group and Al Hamra Fort Hilton (RAK) to raise money for the Al Rahmah Orphanage in RAK. This was a fun day for the children at the Orphanage and the areas that will benefit from the day are the gardens (cleaning and landscaping), the interiors (painting), playground equipment, new KUDOS Outdoor Furniture, a mini petting zoo!

**WELCOME MR JUAN**

I am Juan Lauroba, from Pamplona in Northern Spain and have recently joined Kudos as The Business Development Manager. With over 25 years experience in the industry, I have worked for my family furniture business, along with other world renowned Spanish contract furnishing suppliers, dealing with customers across Europe, Africa and the Middle East. I have worked in many different areas of the business from stock purchasing, production through to design & sales. I look forward to working with Kudos Sales Team across the Middle East markets and developing good relationships with our many Hospitality customers.

**DID YOU KNOW?**

**Solutions by Design**

Our motto is "Solutions by Design" which means that we will find the best solution to your requirements accommodated by the latest designs of our outdoor furniture products to suit any environment.

**23 Years!**

Kudos Global has provided a wide range of outdoor furniture, catering specifically to requirements of the hospitality industry, for the past 23 years in the UAE and the GCC.

**New Collection**

Kudos introduces a new range of furniture from the Resol Group in Spain. A unique collection of polyethylene, aluminium, and wicker furniture in contemporary designs are available to suit any outdoor setting.
